

Her

Calm and gentle,  
Soothing tone,  
Warm and peaceful feeling.

Patience yet frustration;  
Passion and indignation on my behalf.  
A funny sense of humour.

How much you made me smile,  
How much we laughed and shared.  
How much I miss you now.

Nothing ever like it.  
Can't recreate that feeling.  
How I miss it, need i

Lifelong connection even though we are parted.  
Your smile stays with me,  
Your voice too.

Your eyes so full of emotion, empathy and understanding.  
So powerful,  
Too much for me to handle.

You will always be with me,  
For the rest of my life.  
You're somewhere deep inside my heart, too deep to ever leave behind.
